

As of April 24, 2013

Ferris Road Sidewalks – Karl Road to Minnie Avenue

The city of Columbus has completed plans for building sidewalks on Ferris Road between Karl Road and Minnie Avenue. The project will:

- Construct new five-foot-wide sidewalks and *Americans with Disabilities Act*-compliant ramps on both sides of Ferris
- Accommodate schoolchildren, pedestrians, mobility-impaired and vision-impaired users
- Improve pedestrian safety
- To accommodate room needed for sidewalks, both sides of Ferris Road between Karl Road and Minnie Avenue will become No Parking areas 24 hours a day, seven days a week
- This project does not include new curbs and gutters
- Cost approximately \$300,000.

Construction began in February 2013 and is scheduled for completion in May 2013, weather permitting.

Questions regarding project information and schedule may be directed to:
